

## Product Detail

This DDA compliant Heritage Decorative bollards are suitable for traffic management and traffic calming systems around busy areas, such as universities, schools, and town centres, or for cordoning off restricted areas or one-way streets.

Their traditional design ensures they can blend in with various surroundings whilst still being able to be customised with a choice of colours and optional gold banding.

### Features

- Traditional styling to suit a variety of surroundings
- Tough and durable
- DDA compliant
- Maintenance-free; will not rust and requires no painting
- Four fixing options available
- Available in a choice of colours
- Gold banding and Socket Blanking Caps available at an additional cost

Our Heritage Decorative bollard is manufactured from Medium Density Polyethylene, extremely strong and durable with high impact and shatter resistance properties. MDPE is also 100% recyclable
