

Product Detail

- Compliant to BS 8442
- Fully crash tested to BS EN 12767 achieving 100NE4 classification.
- 3Sixty has been value engineered to produce a highly competitive price without reducing quality standards.
- Robust construction due to internally moulded reinforcement struts ensuring that the bollard shell does not compress which means no cracking or creasing of the rigid reflective material.
- Impact and weather resistant synthetic rubber compound delivers a high level of vandal resistance.

Install Methods

- Anchor cage
- NAL socket
- Retrofitted to redundant base light housings.
