

Product Detail

With their modern and sleek design, our Sentinel 150 Banded Bollards are the ideal choice for use in modern venues, such as shopping centres, production facilities, car parks and supermarket units. Maintenance-free and rust-resistant,

Sentinel bollard range is a practical solution for demarcation of parking/pedestrian areas in urban, retail and industrial locations.

Features

- Contemporary styling suitable for urban, retail and industrial locations
- Ideal for vehicle/pedestrian demarcation in modern venues
- Class Ref 1 or 2 banding available at an additional cost
- Maintenance-free, will not rust and requires no painting
- Available in a choice of colours
- Four fixing options available

Our Sentinel 150 Banded Bollard is manufactured from Medium Density Polyethylene which is extremely strong and durable with high impact and shatter resistance properties. MDPE is also 100% recyclable, allowing the bollard to be recycled at the end of its service life.

- Height - 1030 mm
- Diameter – 166 mm
- Construction Material Medium Density Polyethylene (MDPE)
